

Innovative Learning Environments...

CHANGING MINDSETS

SHIFTING CONVERSATIONS

CREATING NEW NARRATIVES

CULTIVATING DEEP POWERFUL LEARNING

Driven by Learning Principles

- Learners at the centre: actively engaged
- Socially interactive: cooperative, collaborative
- Attentive to emotions and motivations
- Sensitive to individual differences
- Challenging for all (without excessive overload)
- Formative assessment for learning: meaningful feedback
- Horizontal connections across knowledge, subjects and community

'The Nature of Learning: using research to inspire practice' OECD 2010
